Alba: I'm going to go furniture shopping with my cousin this weekend.

Teo: Oh yeah? What does she need?

Alba: She needs a couch, a bookcase, and a table.

Teo: My friend is selling some of his furniture. Do you want to take a look?

Alba: That's a great idea!

Teo: I think he'll be around this weekend. I'll give him a call.

Alba: Perfect. Thanks so much.
